

# RAINY LAKE CONSERVANCY

## Memberships and Donations Information

- The primary benefit of your memberships and donations is the satisfaction of sharing in the protection of Rainy Lake and its watershed. The Rainy Lake Conservancy is dedicated to preserving and protecting this relatively unspoiled border lake for present and future generations. As a member and donor, the conservancy becomes your agency to preserve and protect.
- Members receive information through newsletters, seminars, annual members' meetings, and the conservancy's website ([www.rainylakeconservancy.org](http://www.rainylakeconservancy.org)).
- Members over the age of 18 have a voice in decision-making through attendance, input and voting at the Annual General Meeting held in August each year. Individual memberships receive one vote, family memberships receive two votes, and corporate memberships receive one vote.
- Opportunities to serve on the Board of Directors, the Executive Committee, and numerous subcommittees are encouraged and available to members.
- Through the conservancy, members and donors are provided with assistance in conservation easements and other land protection options.
- The Rainy Lake Conservancy has many strong local and regional relationships with like-minded organizations such as:
